## Previous Take Aways ... *Points to Ponder*

---

- We will move forward with literal interpretation
  - Using normal, everyday, plain understanding
  - We will use the Bible to interpret the Bible wherever possible
- We look at the unconditional covenants with Israel to yet be literally fulfilled: Abrahamic, Palestinic, Davidic, New, ...Mosaic
  - We will focus on a interpretation framework that does not replace Israel with the Church
- We propose following a dispensational framework
  - Rom 11:25.. Blindness in part happened to Israel until the full of the Gentiles come in. God is not done dealing with Israel as a nation.

## Previous Take Aways ... *Points to Ponder*

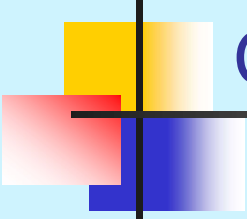

---

- We look for the Rapture to be the next prophetic event
  - Signless event, with no prerequisites, could happen today or eons from now...
- Some believe we may be seeing the “long shadows” of end times prophetic events Matt 24
  - If true, will increase without reversing as “birth pangs”
- We need to prepare ourselves and our families for:
  - **Lies, lies and more lies. Deception rampant**
  - **Demonic activity increasing, Demons on the loose!**

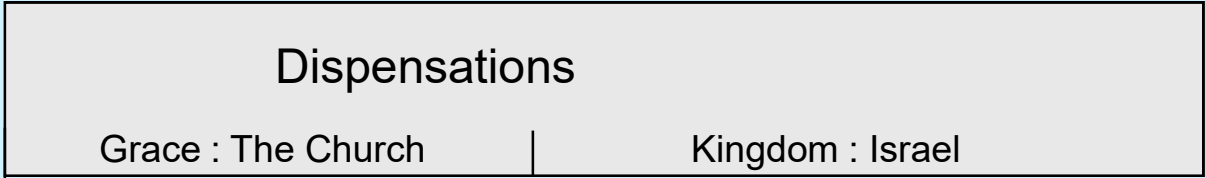

## The Ways of the Wise...

- Acts 17:11, "Now the bereans were more noble than those in Thessalonica; they received the word with all eagerness, **examining the Scriptures daily** to see if these things were so."
